THE CHARLEROI MAIL

VOLUME XXI—NO. 137. CHARLEROI, WASHINGTON COUNTY, PENNSYLVANIA, SATURDAY, NOV. 13, 1920. TWO CENTS

RED CROSS SUBSCRIPTIONS WILL BE RECEIVED BY BANKS

Arrangements Made for People to Renew Memships Easily

CAN PAY AT HEADQUARTERS

Through an agreement made by John D. Berryman, chairman of the Red Cross drive, the various banks of the borough, the First National the Bank of Charleroi, and the Charleroi Savings and Trust company, will accept membership for the Red Cross, and give the necessary receipts as well as the poster which are to be hung in the windows of homes where such subscriptions have been renewed.

By this arrangement it will be possile for people to arrange to pay for their membership to the Charleroi Chapter of the American Red Cross in the bank in which they do business. Moreover, this arrangement will expedite the collection of the memberships, as the payment of the dollar for membership or $5 or $10 for contributing and sustaining memberships can be made in a very short space of time.

Subscriptions will also be received at the office of Minnie B. Richardson, 524 McKean avenue, and it may be more convenient to pay their renewals at that place. In the meantime it is the expectation of Mr. Berryman to secure the co-operation of a large number of ladies to make a personal solicitation, making a house to house canvass, that every resident of the town may be given an opportunity to contribute.

By these means it is hoped to raise the total amount received from memberships into the thousands, and every dollar contributed can be put to good use. Right now there is a demand for a greater and more extensive nursing system than we have but nothing can be done because of the lack of finance If the people of the community will remain loyal to the Red Cross they will find the Red Cross a friend in the time of trouble.

HOME FROM AN AUTO CONFERENCE AT DETROIT

Guy Woodward, of the Woodward garage, just home from a dealer's conference held at the Dodge automobile factory in Detroit, reports that the factory there is running full time, and that the outlook for Dodge cars is regarded as being exceedingly bright. While many other factories have been curtailing production and some shutting down altogether, the Dodge interests appear to be favored with exceptional business and a demand which requires them to keep their factory working full time. Mr. Woodward was highly pleased with his trip and was greatly encouraged over the outlook for the coming year.

NORMAL DEFEATED BY CHARLEROI HIGH

Friday afternoon the Charleroi High school football team defeated the California Normal in a closely contested game at the local park Genuine football weather prevailed and numerous bonfires were in evidence as spectators endeavored to keep warm. The locals put up a fine game, although Weaver, Dennis and Williams were out Williams is Charleroi's only dependale center and he, as well as Weaver and Dennis, were sorely missed

The entire game was very close, both teams losing the ball on downs a number of times. The locals gained ground by the use of end runs and line bucking. The visitors used a few forward passes to advantage, but they could not gain consistently on end runs. The lone touchdowns came in the second quarter. The C. H. S. boys had advanced the ball to the visitors' 25-yard line and a 5-yard penalty on the Normal boys for unnecessary roughness brought the ball still closer to their goal line. Two downs then sufficed to put the oval over. Brown making the touchdown, but missed goal. Webster, Bruce and Lee played well for the locals, and McCleary was the visitors' star man. The line-up:

Charleroi—6		Normal—0
Welch	RE	Travis
Cope	RT	Avner
O'Brien, Capt	RG	Iams
Gray	C	Sisbonde
Bowers	LG	Adams, Capt
Chalfant	LT	S aylor

Lee	RH	Campbell
Wagner	IH	Mills
Brown	FB	Channing

Sub—Charleroi, Kirby; Normal, Smith, Hartley. Referee, Smith; umpire, Wagner; timers, Daniels and Mills Head linesman, Wagner.

Next Saturday the locals will play the Monongahela High school team at Monongahela. A large number of "rooters" will accompany the team.

REPUBLICAN VOTE IN THE COUNTY OVER 18,000 TOTAL

PROMISE MEDAL TO A LONE COX VOTER

The town of Orwin, in the western end of Schuylkill county, has been awarded the prize as the banner Republican town of the hard coal region, if not of the entire state. Of the 162 votes cast on the 2nd inst., all were for Harding except one. Who the one man was who refused to make it unanimous is not known but the Democrats say they will give the lone Cox voter a medal if he will admit it.

THURSDAY NEXT IS RED CROSS ROLL CALL

Thursday, November 18 has been designated as the date for the annual Roll Call for the Charleroi Chapter of the American Red Cross. On that day it is the hope and expectation of Chairman John D. Berryman, with the aid of volunteer solicitors, to make a complete canvass of the borough, and practically see every resident and solicit a membership in this wonderful organization.

This date was fixed at a meeting of the executive board of the Charleroi Chapter, held at the community room, municipal building, last night at which time officers were elected for the ensuing year. John D. Berryman was chosen President, in place of H J. Booth, who has removed from the borough; L. P. Flickinger, vice president; Minnie B. Richardson, secretary and S. Walton Sharpnack, treasurer.

The board also granted permission to California, which has heretofore been a part of the Charleroi Chapter, to maintain its own organization, and to conduct its work as a unit of its own. In this way it is believed that a greater community spirit will be shown and greater results attained.

President Berryman, in accepting the position of President, spoke at some length of the drive and said that to make it a success will require co-operation on the part of the members of the board and citizens.

He hopes for a generous response to his appeal for solicitors. He wants at least one hundred women who will lay aside all other duties on Thursday next and make a systematic canvass of the borough, soliciting memberships. He regards this as one of the most important undertakings of the year, and in order to get results there must be volunteers and co-operation.

A meeting of the board and workers will be held next Thursday evening at the municipal building to hear reports.

In the meantime any who desire to make subscriptions can do so at designated places.

Mr. Berryman states that quite a number of ladies have volunteered for work, but more are needed.

Pluralities Range All The Way from 6,500 on Up to 9,600

WOMEN ARE A BIG FACTOR

The official count of the vote cast at the general election, held November 2, was completed by the returning board at Washington on Thursday afternoon The count shows that nearly 27,000 ballots were cast, the largest number ever cast in the history of the county. Of this number it is estimated that approximately 10,000 were cast by women.

The Republican presidential electors led the ticket of that party with 18,514 votes, a plurality of 9,683 over the Democratic electors. Dr. Temple's vote for representative in congress from the twenty-fourth district was 18,247, or only 267 votes below the national ticket. He received 895 votes on the Prohibition ticket, which gave him a total of 19,142, the largest vote received by any candidate. George T. Walker, Republican candidate for assembly, with 17,838, won third honors. Mr. Walker received 1,002 Prohibition votes, which gave him a total of 18,835 and second place for the highest number of votes received.

David M. Curran and Dr. J. Add Sprowls, the other Republican candidates for legislature ran nearly 3,000 votes behind the ticket. Mrs. Blanche Anderson received 10,036 votes and R. W. Knox 10,033 on the Democratic ticket for the legislature.

Senator Boise Penrose ran nearly 3,000 votes behind the head of the ticket. The bulk of these votes going to Mrs. Leah Cobb Marion on the Prohibition ticket, who received 2,429 votes.

All other Republican candidates ranged between the vote cast for the presidential electors and the vote of Senator Penrose the lowest, and all had pluralities near 9,000.

The Democratic vote for electors was 8,831, while on other ticket it ran in number varying from 7 for the Industrialist to 1,159 for the Socialists. Th Prohibitions cast 838, Labor 268, and Single Taxers 16. For some candidates these figures were higher, but the above votes were cast for President.

INAUGURAL CEREMONIES

The men who founded this country did not believe in any elaborate ceremonies for inaugurating a president or opening a new congress. That is why no provision was made for any expense in connection with such ceremonies. It was assumed that the new president would go before the joint seseion of congress, take the oath and enter upon his duties. Ceremonies, such as attend the coronation of monarchs, did not appeal to the fathers of the country.

It is now proposed that the coming inauguration of President Harding shall be something especially elaborate, but let it not be lost sight of that all the expenses of such functions are paid by residents of the city of Washington—it is a commercial ventura, purely, they hoping to get their money back from the throngs which attend. They have never been dissappointed in this expectation.

There are some Americans who feel slightly humiliated that the man elevated to the highest position in the gift of the people should be the center of a "big show," but the average man likes display and early loves a parade—so the inaugural ceremony appeals to the majority. As this is a country ruled by the majority none can find fault. And as there has been no elaborate inaugual for twelve years, the people's love of show must be considered.

THE RED CROSS ROLL CALL.

The fourth annual roll call of the American Red Cross is in full swing and President Wilson, as well as practfcallp every Governor has called on the American people to respond ilebrally.

The work of this great organization in war cannot be forgotten, and for that alone it would be worthy of our support. But the Red Cross is active in peace as well as war. There is no great disaster which comes when the Red Cross is not the first on the ground. It is an organization always ready, active and mobile, reaching the place where needed. Its finances have always been handled so carefully that its overhead charges have been exceedingly small. Its officers do not receive high salaries —by far the greater part receiving none at all.

Membership in the Red Cross is a patriotic duty now, as ever. There is no reason why it should not reach a total of 10.000,000 or more in its membership. When called upon to get your name on the rolls, be ready to answer "Here," and give the dollar. "All you need is a heart and a dollar."

MEETING FOR SAFETY FIRST AT THE COYLE

A mass meeting of more than ordinary interest is being arranged for the employes of the Pittsburgh Plate Glass company, with their families, to be held in the Coyle theatre, Tuesday evening, November 16, beginning at 7 o'clock.

A fascinating movie film entitled "The House That Jack Built," has been secured for this occasion, and special musical numbers will be given by employes of the company.

There will also be an address on "The Why of Safety First" by Mr. Clarence E Ralston, of the Equitable Life Assurance Society of New York. Mr Ralston is a man of wide experience in his line, having been engaged in Safety First activities in the United States Navy during the late war.

The Coyle theatre has been engaged by the Pittsburgh Plate Glass employes and their families, but the general public will be admitted upon payment of the regular rate of admission.

Doors will be open at 7 o'clock, and ushers will endeavor to have every one seated comfortably. 136-t4

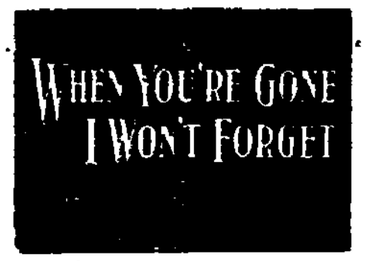
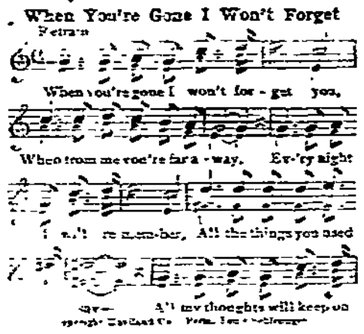
This Love Song Brings $10,000

The musical extract below is an excerpt of: When You're Gone I Won't Forget, one of the prettiest love songs written since Silver Threads Among the Gold. For the copyright of this ballad, the publisher paid $10,000. This song is the answer song to that stupendous song success, which has been sweeping the country: When I'm Gone You'll Soon Forget and it will become just as popular. The extract of the chorus below was clipped from a copy of the song just received.



When You're Gone I Won't Forget



When you're gone I won't for - get you,
When from me you're far a - way, Ev'ry night
re remem-ber, All the things you used
All my thoughts will keep on

This song will no doubt win great fame throughout the country owing to its wonderful lyric and tuneful and catchy melody which are well blended together. When once heard it will never be forgotten. It is splendidly recorded for Player Pianos and Phonographs.

DONORA WINS FROM MONONGAHELA HIGH

The Donora high school football team won over Monongahela at Quinn park, New Eagle, Friday afternoon, by a score of 7 to 0. The game was bitterly contested all the way, and the contest was not decided until the latter part of the game Monongahela had two good opportunities to score, but fumbled forward passes wrecked their hopes. Monongahela and Charleroi will play at Quinn Park on Saturday afternoon next.

If our satisfied patrons decided to hold a convention it would take a good sized hall to hold them. If they decided to say behind our backs all of the nice things they have said to our face, it would take a big book to ho'd the boosts we get.

The Successful Executive

chooses his bank in the same business-like way that he makes other business decisions.

He analyzes its qualifications, considers its resources, the responsibility of its Board of Directors, and the capability of its Officers.

He gives his patronage on the basis that it will be retained only as the bank measures up.

We are justly proud of the many business men's names recorded on our ledgers, and of our reputation for retaining those who come to us.

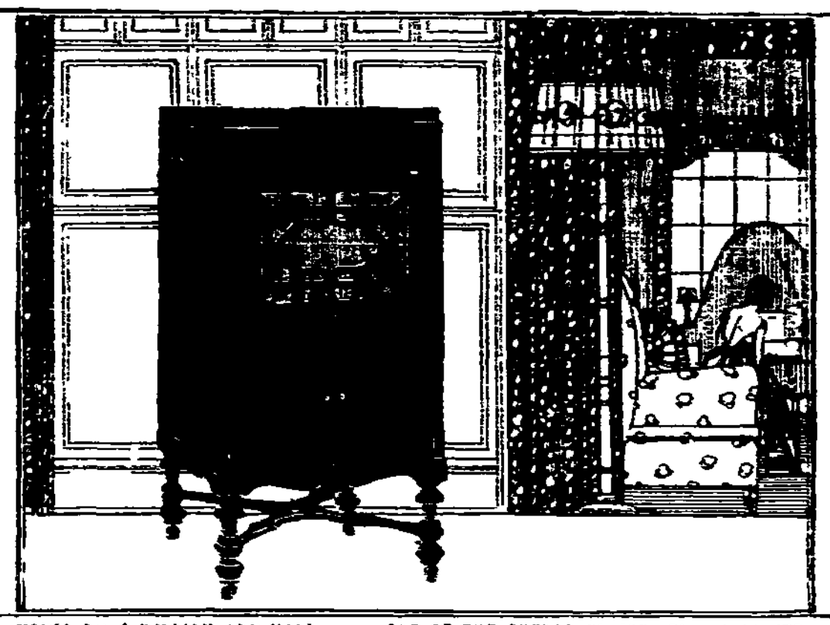
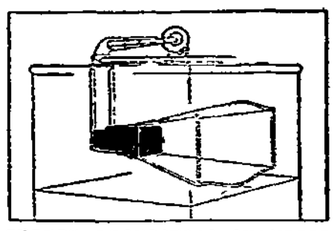
The CHENEY



MODEL NO. 4 WILLIAM AND MARY ..... ONE OF THE CHENEY PERIOD STYLE CABINETS

Like the Actual Orchestra in Your Home



CHENEY ORCHESTRAL CHAMBERS

Orchestral Chambers in THE CHENEY

From the pipe organ THE CHENEY takes the principle of these air chambers. Being successively larger in size, they develop the high, medium and low tones, keeping them in perfectly controlled balance.

It seems almost like magic to hear an orchestral record on THE CHENEY. Just as though the members of the orchestra filed in with their instruments at your bidding.

Symphony orchestras, popular dance orchestras or bands—all respond to your call, when you play THE CHENEY. And THE CHENEY alone can give you such a perfect treat. No other instrument has the orchestral chambers which reproduce every tone of every instrument so accurately.

Let us show you how THE CHENEY'S tone adjuster, reproducer, tone arm, acoustic throat and violin resonator also increase the charm of its music. If you cannot call, send us the coupon for the interesting CHENEY booklet.

Please send me without obligation your beautifully illustrated 32-page CHENEY booklet.
